NGUYỄN NGỌC THẮNG

Intern Front-End Developer

About Me

I am a self-taught Front-End Developer. I have an interest in building and developing impressive UI as well as features for websites.

I look forward to improve both my skills and knowledge in a professional and dynamic working environment. I eager to become a proficient Front-End Developer.

Skills

- Use HTML and CSS to build structure and styles for websites UI
- Develop website's features with modern Javascript syntax (ES6)
- Build styles and effects for website with CSS framework such as TailwindCSS as well as SASS/SCSS
- Create UI components with basic React Hooks (useState, useEffect, useRef, ...)
- Convert Photoshop, Figma template to responsive, interactive webistes
- Be proficient in English

Projects

01. React Movie App - (ReactJS, CSS(SCSS))
